PROVIDING CEAT STUDENTS WITH THE BEST TECHNOLOGY AT THE BEST PRICES.

OrangeTech is proud to partner with the Oklahoma State University College of Engineering, Architecture & Technology to offer the following strategically selected and specially equipped laptops at educational discounts especially for engineers. All computers include the option of a four-year OrangeTech service plan, including protection against accidental damage. Plus, be sure to ask about available financing options or how our student can use their financial aid to pay for their technology purchase. Contact OrangeTech for more information.
